

7.0

LIST OF PREPARERS AND DOCUMENT RECIPIENTS

This chapter presents the individuals who contributed to the technical content of this Final Environmental Impact Statement. The document was produced by BIO-WEST, Inc., located in Logan, Utah, with project management and

oversight by the Federal Highway Administration Utah Division, the Utah Department of Transportation, and Provo City (Joint Lead Agencies).

NAME	RESPONSIBILITY	QUALIFICATIONS	PARTICIPATION
U.S. Department of Transportation, Federal Highway Administration			
Edward Woolford	Environmental Program Manager	B.A. environmental studies, B.A. geography	National Environmental Policy Act (NEPA) process and document oversight
Bryan Dillon	Area Engineer	M.S., B.S. civil and environmental engineering	NEPA process and document oversight
Utah Department of Transportation			
Daniel Page	Utah Department of Transportation (UDOT) Project Manager, Region 3	B.S. engineering	NEPA process and document oversight, engineering design oversight
Richard Crosland	UDOT Environmental Manager, Region 3	M.A. anthropology	NEPA process and document oversight
Jennifer Elsken	NEPA/National Historic Preservation Act (NHPA) Specialist, Region 3 (Now at Region 2)	M.A. archaeology M.A.S. environmental policy	NEPA process and document oversight, Section 106 and Section 4(f) compliance
Brandon Weston	UDOT Central—Environmental Manager	B.L.A. Landscape Architecture and Environmental Planning	NEPA process and document oversight
Kevin Kilpatrick	UDOT Central—NEPA Oversight Manager (Formerly)	M.S. environmental planning B.S. applied mathematics	NEPA process and document oversight

7-2 Chapter 7: List of Preparers

NAME	RESPONSIBILITY	QUALIFICATIONS	PARTICIPATION
Provo City			
David Graves	Deputy Public Works Director/City Engineer and Project Planner	P.E. planning engineer B.S. civil engineering	NEPA document oversight, Provo City engineering design oversight
Casey Serr	Traffic Engineer	P.E. planning engineer B.S. civil engineering	Document review and engineering oversight
BIO-WEST, Inc.			
Tom Twedt	Consultant Project Manager	Ph.D. water-resources engineering and aquatic ecology, M.S. fishery ecology, B.S. fishery and wildlife biology, Professional Hydrologist Registration (Reg. No. 123)	Project management, document development
Ken Sim	Consultant Deputy Project Manager	M.S. geography, B.S. environmental studies, Traffic Noise Modeling Certification	Project management, document development, noise impact assessment
Sean Keenan	Environmental Analyst	Ph.D. sociology, M.S. sociology, B.A. social and behavioral sciences	Document development, social impact assessment
Jeremy Eyre	Environmental Analyst	J.D. and Certificate in environmental and natural resources law, B.A. political science	Document development
Glen Busch	GIS Analyst	M.S. bioregional planning, B.S. forest management	Spatial analysis, mapping and figures
Aaron Crookston	GIS/CAD Specialist	B.L.A. landscape architecture, ArcGIS Technician Certification	Mapping and figures

NAME	RESPONSIBILITY	QUALIFICATIONS	PARTICIPATION
Sandra Turner	Chief Editor	B.S. English with a professional writing emphasis, A.A.S. science	Editorial oversight
Chadd VanZanten	Editor	B.S. communications (journalism)	Document formatting and editing
Andrew Herzog	Editorial Assistant	B.A. business information systems	Document formatting and comment incorporation
Janelle Egli	Assistant Editor	B.A. English with an emphasis in literary studies	Document proofing
Andrea Moser	Planner	B.L.A. landscape architecture and environmental planning	Visual resources impact assessment
Sarah Rigard	Planner	M.L.A. landscape architecture, B.S. landscape contracting	Visual resources impact assessment
Bob Thomas	Wetlands Specialist	B.S. aquaculture, fisheries, and wildlife biology, Professional Wetland Scientist Certification (PWS #1924), Endangered Species Permit (#TE125573-0)	Riparian-wetlands analysis
Shannon Herstein	Water Quality Specialist	M.S. watershed science, B.S. watershed science	Water quality analysis
Mike Sipos	Wildlife Biologist	M.S. wildlife science, B.S. wildlife science	Wildlife analysis
Craig Fosdick	Wildlife Biologist	M.S. biology, B.S. biology	Wildlife analysis
Mike Robertson	Fisheries Biologist	M.S. wildlife and fisheries sciences, B.S. biology/ecology	Fisheries analysis

7-4 Chapter 7: List of Preparers

NAME	RESPONSIBILITY	QUALIFICATIONS	PARTICIPATION
Ernesto De La Hoz	Fisheries Biologist	M.S. aquatic ecology, B.S. natural resources, B.S. marine biology	Fisheries analysis
Alyson Eddie	Vegetation Specialist	B. S. environmental biology and ecology	Vegetation mapping
Kari Coy	Vegetation Specialist	B.S. botany, A.A.S. general studies	Plant surveys, vegetation analysis
Amanda Townsend	Vegetation Specialist	B.S. environmental studies, A.A.S. wildlife biology	Plant surveys, vegetation analysis
Wes Thompson	Geologist	B.S. composite sciences with an emphasis in geology, A.A.S. geology, Utah Professional Geologist Certificate (5540557-2250)	Geology, soils, groundwater, hazardous materials assessments
Dustin Lofthouse	Geologist	B.S. geology	Geology, soils, groundwater, hazardous materials assessments
PB Americas, Inc.			
Jeremy Christensen	Design Consultant	B.S. engineering	Alternatives design engineering
Jesse Barton	Design Consultant	M.E. engineering, B.S. engineering	Alternatives design engineering, land use impact assessment, floodplain analysis
Eileen Barron	Public Involvement Lead	Ph.D. communications, M.S. communications	Public involvement planning and implementation
Lani Kai Eggertsen-Goff	Public Involvement Coordinator	M.S. environmental science, B.A. liberal arts	Public involvement planning and implementation, land use impact assessment
InterPlan			
Matt Riffkin	Planning and Traffic Consultant	B.S. engineering, B.A. economics	Traffic analysis, alternatives analysis, air quality impact assessments

NAME	RESPONSIBILITY	QUALIFICATIONS	PARTICIPATION
Vern Keeslar	Planning and Traffic Consultant	M.P.A. master of public administration, B.S. geography, planning, and resource management	Traffic analysis, alternatives analysis, land use impact assessments
Charles Allen	Planning and Traffic Consultant	B.S. civil engineering, M.S. civil engineering	Traffic analysis, alternatives analysis, air quality impact assessments
Rob Eldredge	Planning and Traffic Consultant	M.A. urban planning B.S. economics	Traffic analysis and alternatives analysis
Brigham Young University, Office of Public Archaeology			
Richard Talbot	Archaeological Resources Consultant	M.A. anthropology, M.A. public administration, B.S. anthropology	Cultural resources inventory

Persons and agencies providing comments on the Draft Environmental Impact Statement (EIS) are indicated in Chapter 6. All who provided comments on the Draft EIS were notified by mail regarding availability of the Final EIS and were informed of locations where the document could be viewed, both in hard copy and electronic. Hard copies of the Final EIS were made available at the Provo City Mayor’s Office, Provo City Public Works, Provo City Community Development, the Provo City Library, and at Utah Department of Transportation (UDOT) Regional and Central offices. Electronic copies were made available on the Internet, with links to the document provided from Provo City and UDOT websites.

Copies of the Final EIS were provided to the following federal and state offices:

- U.S. Department of Interior – Office of Environmental Policy and Compliance
- U.S. Fish and Wildlife Service – Utah Field Office
- U.S. Army Corps of Engineers – Intermountain Regulatory Office
- Federal Highway Administration – Assistant Chief Counsel, Western Resource Center
- Bureau of Land Management – Salt Lake Field Office
- Advisory Council on Historic Preservation
- Utah Governor’s Office of Planning and Budget – Resource Development Coordinating Committee
- U.S. Environmental Protection Agency (EPA) – Office of Federal Activities, EIS Filing Section
- U.S. EPA Region 8
